

## About Us

Hamptons Web Design has been serving the East End of Long Island's business community since 1997.

We offer:

Website Design.

Website Packages (something for everyone, expand and upgrade as you need.)

Convert Your Existing Site into a High-End Design.

Upgrades - Add Sections, Pages, Images, and more.

Hosting Services (hosting, email, website manager login, statistics and much more).

Consultations and Instruction to help you integrate your site with your offline business.

Digital Photography Services.

The Hamptons Directory was founded in 1998 and is popular with Google and all Major Search Engines. The Directory offers online advertising and a quality marketing tool for East End Businesses.

**ONE LOCAL COMPANY FOR ALL YOUR ONLINE NEEDS**
